

Morning Humor

Purrfect

For all of you with teenagers or who have had teenagers, or are a teenager, you may want to know why they really have a lot in common with cats:

- Neither teenagers nor cats turn their heads when you call them by name.
- No matter what you do for them, it is not enough.
- You rarely see a cat walking outside of the house with an adult human being, and it can be safely said that no teenager in his or her right mind wants to be seen in public with his or her parents.
- Even if you tell jokes as well as Jay Leno, neither your cat nor your teen will ever crack a smile.
- No cat or teenager shares your taste in music.

Thus, if you must raise teenagers, the best sources of advice are not other parents, but veterinarians.

And remember, above all else, put out the food and do not make any sudden moves in their direction.

When they make up their minds, they will finally come to you for some affection and comfort, and it will be a triumphant moment for all concerned.

HMMMM

A 60 year old millionaire is getting married and throws a big wedding reception. His friends are quite jealous and in a quiet moment one of them asks him how did he land such a hot 23 year old beauty? 'Simple,' grinned the millionaire, 'I faked my age.' His friends are really amazed and ask him how old he said he was. 'Well', he replied, 'I said I was 97!'

UGH

If you spent your day in a well, would your day be well-spent?

That's all folks

Can You See Me Now, What?

Remember when we could actually meet each other in person? Our 'Vision & Hearing Program' is a valuable and sometimes life changing event for kids from preschool through elementary school.

Our members were always there to help the kids figure out ways to pass their test.

Did you know that we also offer financial support to families that cannot afford glasses.

Signature Project

Want your fellow PNW District Kiwanians to know what a great Club we have? Want our project to be selected to represent our District in the Kiwanis International competition? The District is holding its annual competition to select 'Signature Projects' from Clubs throughout our District to be entered into the International contest. In the past we submitted 'The Bite' and 'Christmas at the End of the Road' but alas, we did not get selected.

Get your brain in gear, come up with some suggestions, and get busy with your creative writing skills. The following is from kiwanisone.org website:

"Signature projects provide valuable and needed service to a community. They elevate awareness of Kiwanis, engage current members and remind them why they joined Kiwanis. Additionally, signature projects can increase membership. Don't forget to invite and involve potential new members in your club's next signature project.

"A signature project is one that includes all of the following criteria:

- **Recurring:** At a minimum, the project should take place annually.
- **Brand enhancing:** The project should be designed to elevate the Kiwanis brand in the local community with opportunities for public relations activities, such as using the Kiwanis name on the project, media mentions, etc.
- **High impact:** The project should have a demonstrable positive impact on the community; this impact should be measurable in monies raised or children served.
- **Membership focused:** The project should support opportunities to strengthen membership and develop new partnerships.

TIP: A good question to ask when identifying a signature project: "What community activity or event is my club known for?"

Entries must be submitted by 23 January 2021.
