Morning Humor

Three Engineering students at a prestigious university were sharing a can of "one-calorie" diet cola. After pouring it equally into three cups one of them drank his. Then the second drank hers. The third Engineer just stared at the cup suspiciously. "I wonder who got the calorie?"

Terry slammed his cards on the table and left the game in a huff. "Boy," said another player disgustingly, "I really hate playing cards with a bad loser." "He isn't very pleasant," another player said, raking in the chips, "but it's better than playing with a good winner."

Father: How did you do in your exams today, Little Johnny?
Little Johnny: I did what George Washington did.
Father: What was that?
Little Johnny: I went down in history.

Husband: "I want to tattoo your name on me. What do you think, shall I do it on my arm or neck?"
Wife: "How about on your will?"

Classmates at college were lamenting the cost of long distance phone service and debating the relative advantages of AT&T, MCI, and Sprint. "I've found CTC to be the cheapest plan around," offered one. "CTC? Who are they?" "You know," he responded. "Call Them Collect."

The teacher asked her students, "Who can tell me what the ruler of Russia was called?" "Czar," the class replied in unison. "Correct. And what was his wife called?" "Czarina," the class replied. "Good! And what were his children called?" A timid voice piped up, "Czardines?"

Reiber's lost his mind? Not quite. Coming up tomorrow is an event that you should at least be reminded of. Monday Jan 11 from 5:00 pm to 6:00 pm the PNW District has put together a candidates forum for the Trustees election to be held at the next International Convention in Salt Lake City. Two of the folks involved are members I've known a long time and I highly respect. Conducting the forum will be Sylvester Neal, Past International President and a man who when he was District Governor spent some quality time in Division 9. One of the four candidates in the forum is Roger Bell one our distinguished past Governors. If you have had any involvement about the division or district, you have probably met Roger. I hope our delegates to the Salt Lake Convention will support him. At this point I expect the Convention will be virtual which while being a pain in the posterior does cut the expenses greatly.

Go to YouTube and key in "PNW Kiwanis TV"

This is the poster circulating for the event. Hop on YouTube and look for PNW Kiwanis TV.

Also be watching for information on our mid-winter conference upcoming February 26 – 28. It too will be virtual and usually is interesting with classes on important Kiwanis topics. I'll see you have information as we get close to the event.

Meeting Schedule

Meetings will be by Zoom. Watch for Rick Jone's email on how to connect. Our next meeting will be Jan 19th.

Do we want to look over our normal projects and see if we want to submit one as a Signature Project. We have until Jan 31st to put it together. In the past we have submitted The Bite and Christmas at the End of the Road. We didn't win in the District but we were invited to demonstrate the projects at the District Convention and the Governor Melanie Bozak came to visit our Christmas event.

Amazing!!! Check out the Builder Magazine. The District is organizing an online auction to raise funds for Outreach and for District events. We might learn something to make our auction better. They are also soliciting auction items.

One last bit of humor

A property manager of single-family residence was showing a unit to prospective tenants and asking the usual questions. "Professionally employed?" he asked. "We're a military family," the wife answered.

"Children?"

"Oh, yes, ages nine and twelve," she answered proudly.

"Animals?"

"Oh, no," she said earnestly. "They're very well behaved."
